Meeting came to order at 7:00pm

Review of Minutes:

Minutes approved with the following change. People counter showed 24,058 visitors in September but needs to be divided in half as it is a unidirectional counter so should be 12,029. Carol moved to approve. Judie seconded.

Financial Report:

Community Bank:	\$51,945.83
NEFCU:	\$31,581.88
Total:	\$83,527.26

Carol presented the budget and explanation letter to both towns.

Park Management:

We received 3 snow plow bids for 2017-2018 year.

1. Terrien Tex: \$65 per plow \$65 per sanding
2. J.D. Bugbee: \$85 per plow ?\$85 per sanding
3. All Seasons: \$95 per plow \$95 per sanding

Carol made a motion to award the 2017-2018 plowing to Terrien Tex. Seconded by Andrew. Motion approved. Livy will contact the applicants and inform them of the board's decision.

Trails:

- Josh Ryan and his crew will begin work on a section of Fieldstone West Loop beginning on 10/23/2017. Livy has posted warnings that that part of the trail will be closed.
- Judie brought the Fieldstone West Loop sign that was missing letters to Sign-a-Rama to be fixed. They discussed having the sign routed but would not be easy to so. Sign-a-Rama will replace the missing letters and then apply a very thin clear layer of either Krylon or Hellmans and after drying will apply a thicker layer. In the spring when the weather is warmer, the board will treat the other signs the same way.
- Trail work day is 11/04/2017 from 9:00 – 12:00.
- Public hearing has been posted on front porch forum, facebook, town offices and will be in the Mountain Gazette.

Meeting was adjourned at 7:30pm

Respectfully submitted

Marie M. Lynch
